

## Your Method Worksheet

Using the suggestions from Chapter 12 and your own ideas, **you are going to select the techniques that will make up your method!**

### **Before you start!**

On a scale from 1 – 5, please rate how systematic you are and how well you deal with uncertainty.

#### **I prefer to study ...**

Holistically	1	2	3	4	5	Systematically
--------------	---	---	---	---	---	----------------

#### **I'm OK with ...**

Lots of uncertainty	1	2	3	4	5	No uncertainty
---------------------	---	---	---	---	---	----------------

### **Part A – Finding the right content**

Please list the sources of content you have chosen:

- *Example: American movies with English subtitles*
- *Example: Conversations with native speakers over Skype*
- 
- 
- 

### **Part B – Understanding the content**

Please list the method you have selected to understand each of the pieces of content you have selected in Part A.

- *Example: Translate unknown words with a dictionary.*
- *Example: Ask native speaker for explanations in words I know.*
- 
- 
- 

### **Part C – Review and Repetition**

Please describe the method you intend to use to review words you learn

- *Example: Add new words to Anki and review everyday.*
